Today is world Mission Sunday. We celebrate this day by remembering the revitalizing mission at the heart of our Christian faith - to bring the Gospel to all! The envelope today for the Society for the Propagation of the Faith ensures the work and service of the Mission Church, as it supports priests, religious and lay leaders who offer the Lord’s mercy and concrete help to the most vulnerable communities in the Pope’s missions. Thank you for your generosity.

“BAPTIZED AND SENT.” This is the theme for World Mission Sunday 2019, which we celebrate today. World Mission Sunday is an annual celebration in the Church which reminds us of the very reason the Church exists. We proclaim the Good News to all of humanity. Our efforts begin with prayer, but then we must also put our prayer into action. Some of the baptized are called to go to distant lands, while most of us strive to evangelize in our homes, schools, places of work, and wherever else we might be. The second collection today is for the World Missions. The Society for the Propagation of the Faith will disburse the proceeds of today’s collection throughout the world, offering aid and assistance to over 1,000 mission dioceses. The Society reminds us, “The collection today ensures the work and service of the Mission Church, as it supports priests, religious and lay leaders who offer the Lord’s mercy and concrete help to the most vulnerable communities in the Pope’s missions.” Thank you for your generous response to the needs of the Missions! Consider offering this prayer throughout the week: “O God, whose will it is that all should be saved and come to the knowledge of the truth, look upon your abundant harvest and be pleased to send workers to gather it, that the Gospel may be preached to all creation and that your people, gathered by the word of life and sustained by the power of the Sacraments, may advance in the path of salvation and love. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, for ever and ever.”

GO OUT TO ALL THE WORLD AND TELL THE GOOD NEWS!

Last week in this space I mentioned that Pope Francis has declared this month to be Extraordinary Mission Month to help us focus on the call to evangelize. The Society for the Propagation of the Faith notes that the Pope “has asked each country to highlight a great missionary who shared their life for the love of the Gospel. In the USA we have chosen Sister Dorothy Stang, SNDdeN, who was martyred in Brazil in 2005 because of her defense of indigenous people…. To learn more about her exemplary mission life, please go to missio.org/resources.”

And speaking of the Missions, enclosed in this week’s bulletin is the Missionary Co-operative Appeal envelope. Next week, Msgr. Isidro H. Irizari of the Diocese of Tandag, the Philippines, will be here to give an Appeal for the Diocese. You might be aware that Tandag has sent our Diocese a priest to serve here as we experience a priest shortage. Please be as generous as you can. Thanks.

I mentioned in past bulletins that we were considering a change in the Mass schedule for All Saints Day, a holy day of obligation. We will have Mass at 4:00PM on Thursday, October 31 and on Friday, November 1 at 8:00AM. See the regional Mass schedule for All Saints Day, which is in the bulletin this week and will again be in the bulletin next week. By my count, in addition to the two Masses to be celebrated here, there are 17 other Masses in the area for All Saints Day. Surely there will be a time for all of us to meet our obligation.

Saturday, November 2 is All Souls Day, a day to remember all the Faithful Departed. We will have Mass on Saturday morning at 9:30 – come and pray for all the dead. On Sunday, November 10, at the 11:00AM Mass, we will remember in a particular way all those from our parish who have died since All Souls Day 2018. A list will appear in the bulletin soon. Please remember the dead in your prayers.

I am happy to announce that Fr. Canice McMullen, OSB, from St. Vincent Archabbey, will be here next Monday, October 28 to give part two of his presentation on THEOLOGY OF THE BODY, Pope St. John Paul II’s teaching regarding human dignity and respect. The presentations will begin shortly after 7:00PM in the Atrium. All are invited to attend – we especially encourage middle school and high school parishioners and their parents to attend. If you have any questions, please let me know!

Have you noticed? We are in need of more liturgical ministers, especially ushers and servers. I invite you to think about serving your parish in these ways. Many persons, at one time or another, have told me that I need to extend a personal invitation to parishioners for them to consider serving in a particular way. While I understand this to a certain extent, I also insist that if we are baptized, we have a duty to participate in some way. I know that we have varying levels of comfort and ease, but we really do need assistance at Mass. Ushers help with the collection and in the offertory procession. Servers assist the priest at Mass – I welcome adult participation in this liturgical ministry, also. What do you think? Please let me know.

Thanks to all our community Service Members who gave much of their time last weekend and parked cars in our parking lot for so many Fort Ligonier Day visitors! Their efforts realized $10,257, which will go a long way in assisting many members of our community at Thanksgiving, Christmas, Easter, and other times of the year. God bless you!

Thanks to our parishioners who are so faithful in fulfilling their Diocesan Lenten Appeal pledges. We recently received our September refund -- $842.75. We have set this aside for future use.

GOD THE FATHER OF MERCIES, HAVE MERCY ON US!
JESUS CHRIST, OUR RISEN LORD, SAVIOR, AND HEAVENLY KING, HAVE MERCY ON US!
HOLY SPIRIT, PRESENT IN POWER AND GLORY, HAVE MERCY ON US!
MARY, QUEEN OF THE MOST HOLY ROSARY, PRAY FOR US!

THANK YOU...THANK YOU...THANK YOU...THANK YOU...WE COULD NOT HAVE DONE IT WITHOUT YOU!  A sincere and huge thank you to all those who helped Community Service park cars during Fort Days. We know it’s a busy time with family & friends so we truly appreciate that you gave your time to lend us a hand over the weekend!  We are so blessed to have such wonderful parishioners and friends. When we really needed the help, a wonderful group of individuals stepped up...and then some even stayed over their shifts, others offered to come back if we still needed help and some even came back multiple times.  THANK YOU!  The good news is that we raised $10,257. Not only will this allow us to provide a complete holiday meal for those in need at Thanksgiving, Christmas and Easter but also continue helping those less fortunate throughout the year with other services.

We could not accomplish all that we do without your help…we are truly blessed to have such wonderful parishioners!!!
Advance Medical Directives: Planning for Your Future

Read the full version at respectlifeprogram.org/advance-directives.

Human life is good and to be protected. All medical decisions ought to reflect this core belief. Yet some medical and legal documents used to define a patient’s future care can be harmful. No matter how well-crafted, they can’t predict all the possible scenarios and best courses of action. In each set of circumstances, we need to judge whether a given treatment will provide real benefit to the patient, without causing harm or disproportionate burdens. The safest option is to designate a health care agent to make decisions if you become incapable of doing so. It’s best to appoint a responsible, trustworthy person who understands and shares your Catholic values, and can apply them when the need arises.

Top Reasons to Oppose Assisted Suicide

Read the full version at respectlifeprogram.org/reasons-against-assisted-suicide.

Some polls indicate that the public is receptive to assisted suicide. But the same polls show that people’s views shift when they learn about its dangers—especially the dangers for those who are poor, elderly, disabled, or without access to good medical care. Consider that, in Oregon and California, some patients’ health insurance offered to pay for assisted suicide, but not treatment. And in states where assisted suicide is legal, often no psychiatric evaluation or treatment is required. Additionally, assisted suicide fosters discrimination by creating two classes of people: those whose suicides we spend millions of dollars to prevent and those whose suicides we assist and treat as a positive good.
